## **PARKING AT SCHOOL**

Dear Parents,

One of the greatest challenges for the school is the parking problem. There is no perfect solution but I would like to appeal to you as responsible parents, carers and drivers to follow the policy to ensure the safety of all our children.

The school is well aware that there are few parking spaces available right in front of the building but there are in fact many parking spaces a few minutes away. It may mean a short walk of a few minutes but this is the healthy option. Parents are often upset when they see others acting irresponsibly.

Please take note of the following which applies at all times including after extra-curricular activities:

- In the mornings the area in front of the school is a **DROP OFF ZONE ONLY**. This means that parents cannot park their car here and should only let their children out of the car and drive on.
- Legally, **PARKING** in the **TURNING CIRCLE** outside the school gates or in the **SLIP-ROAD** to the right of the gates is prohibited. The sign means you are allowed to wait in the car in the turning circle for 3 minutes only. Please do not abuse this privilege and also consider the parents with younger children.
- There are parking spaces (marked blue in the attached parking plan) on both sides of Tulpenbaumweg. As the town of Bonn will not mark the spaces, please park considerately and do not block 2 spaces.
- There are also some parking spaces (marked blue in the attached parking plan) in Pappelweg. From here you can access the front or rear gate of the school.
- Pupils are instructed by the school to proceed to their cars using the pavements on both sides of the road. They are told not to cross the turning circle but to go round by the footpath.

**Please help to keep your children safe and avoid accidents!**

Thank you for your cooperation.

Mr. P.Wharton  
Headteacher
